

LEGAL NOTICE

Terms of Use

The present provisions aim to define the conditions under which Belgium Coatings S.A. grants you access to its website. The mere use and/or consultation of this website implies unconditional, full, and complete acceptance of all the following provisions.

1. Liability

The information contained on this site is provided purely for informational and indicative purposes.

Belgium Coatings S.A. disclaims all liability for any errors, inaccuracies, or omissions affecting the information.

Similarly, Belgium Coatings S.A. cannot be held responsible for any technical issues of any kind affecting the operation of its website. This includes modifications, interruptions, suspensions, or deletions of the website.

Belgium Coatings S.A. also disclaims liability for any direct or indirect damage resulting from the use or inability to use the site, as well as any event related to the site.

2. Links and References

This website contains hyperlinks to other sites and references to other sources of information. These links and sources of information are provided solely for informational purposes.

Belgium Coatings S.A. cannot guarantee the quality and/or comprehensiveness of the information contained in these external sources. The company disclaims all liability for any direct or indirect damage arising from the consultation of information available on other websites or in other sources referenced by this website.

3. Intellectual Property Rights

Use of this site does not confer any intellectual property rights to the user regarding its content.

All texts, photos, videos, data, posters, logos, trademarks, and other elements reproduced on the site are reserved and protected under trademark law, copyright law, and/or any other applicable legal provisions related to intellectual property.

As such, only private use is permitted.

Any other unauthorized use of any part of the website (e.g., hacking, counterfeiting, etc.) may result in legal proceedings in accordance with applicable laws.

4. Protection of Personal Data

All personal data of the user stored in the files of Belgium Coatings S.A. and received as part of an information request are processed in compliance with Regulation No. 2016/679, known

LEGAL NOTICE

as the General Data Protection Regulation (GDPR), concerning privacy and the processing of personal data.

Each user has the right to consult their personal information and, if necessary, request corrections by contacting the webmaster.

5. Reporting Channel

The European Directive on whistleblowers has been transposed into Belgian law. It provides a framework for whistleblowers reporting information obtained in a professional context that may harm the public interest (e.g., violations of the GDPR, environmental protection, tax fraud, or social fraud). The law protects not only employees but also self-employed individuals, civil servants, shareholders, board members, volunteers, interns, former employees, and job applicants.

The reporting channel is as follows: signalement@belgium-coatings.be
